

# RADIO TEST SET

Priority  
Service  
Agreement

Protect your investment, and fix your costs, with a Priority Service Agreement.

This special PSA, only available when purchasing new equipment, will:

Extend the manufacturers hardware/labour warranty from 24 months to 60 months.

Include five annual, ISO17025 compliant, calibrations as per the manufacturers process's and procedures.

Reduce turnaround times by placing your unit to next in line when received at Vicom.

Eliminate delays associated with purchase orders and approvals.

Provide a simple service initiation with a click or a phone call.

Ensure that the unit will always have the latest version of firmware.

## WHY A PRIORITY SERVICE AGREEMENT?

Five annual calibrations

Extend the warranty to five years

Authorised service centre

Maintained as per VIAMI's processes and procedures

All for the price of five annual calibrations.

## WHY VICOM?

Vicom is a NATA accredited facility.

Vicom has access to the tools required to perform adjustments of the instruments.

Vicom has access to the specialised parts required to repair the instruments.

Vicom will install the latest software and hardware enhancements.

These benefits ensure the measurements you take are accurate and within specification.
